WHAT IS BIOENGINEERING DAY ABOUT?

THE EVENT

Celebrating its 10th Anniversary, Bioengineering Day provides an opportunity for both undergraduate and graduate students to showcase their research at UCSD. It is attended by well over 400 people each year, and sponsors get to connect with students, faculty, alumni, industry partners, and friends of UCSD Bioengineering.

ORGANIZATION

BE Day is organized by the Bioengineering Graduate Society, Biomedical Engineering Society, and the International Society for Pharmaceutical Engineers.

WHY SPONSOR?
